SHADE EXPERTS

Rooms N' Covers Etc. has built a strong reputation in building quality patio products since 1972. Their success is attributed to their continual commitment of providing every customer with a quality product they will enjoy at a price they can afford.

This work ethic has led to Rooms N' Covers again being named the #1 Alum-A-Wood Patio Cover Company in the United States for the tenth year in a row. Their showroom is completely furnished so that you can see, touch, and imagine your dream room or backyard. Most companies only offer a picture and a promise—Rooms N' Covers let's you experience it.
